GAME FEATURES

OKTOBEER GOLD DICE

Multiplier - after every win, winning symbols disappear and new ones fall from above the reels. The cascade multiplier starts at $\times 2$ and increases by 1 with each cascade step.

Wild - appears only on the middle three reels and substitutes for all symbols except Bonus Wheel. It expands into an Expanding Wild whenever it appears on the winning line.

Bonus Wheel - land 3 Bonus Wheel symbols to trigger the feature and spin the wheel for Free Spins with a multiplier.
