GOLDFISH
Dive into a golden underwater world with 777 Goldfish, a 3-reel video slot blending classic 777 charm with shimmering aquatic magic, iconic Triple Seven Wilds, and five fixed paylines. Retriggerable Free Spins bring extra Wild rewards to the reels, while the Goldfish Rewards feature invites players to pick mysterious golden shells and uncover hidden prizes across four reward tiers, from MINI to the magnificent GRAND Reward.

GAME FEATURES

777 GOLDFISH

Free Spins - three Free Spins symbols on the winning line trigger 5 Free Spins. Retriggering the feature awards an additional 5 Free Spins.

Wild - can appear on all reels and substitutes for all symbols. Each Wild that appears during Free Spins pays bet x20.

Valentine's Rewards - randomly triggered in the base game, launching a Pick and Click game where nine gifts hide Grand, Major, Minor, or Mini prizes. Pick gifts to match three identical Goldfish Rewards symbols.
