GAME FEATURES

JUICY BOOSTER DICE

Booster Reel - the special reel which contains only multipliers and the Reward symbol.

Wild - can appear on all reels except Fortune Reel and substitutes for all symbols.

Multiplier - activates if it lands in the center of the Booster Reel. Multipliers are awarded randomly and can reach up to 15x.

Reward - landing Reward symbol in the center of the Booster Reel triggers the Rewards feature (Grand, Major, Minor, Mini). It awards a random prize value that can reach up to 1000x of the bet stake.

Extra Chance - when turned on, it removes 1x multiplier from the Booster Reel, boosting odds of higher multipliers and Reward symbol.

The background of the entire page is a vibrant purple with sparkling light effects. On the right side, there are large, stylized illustrations of fruit: a slice of orange, a whole orange, a red cherry, and a purple grape with green leaves. In the top left, there is a blue and white striped circular graphic. In the bottom left, there are white dice and a red and white striped circular graphic. The title 'JUICY Booster' is prominently displayed in the center-right, with 'JUICY' in large, colorful, 3D block letters and 'Booster' in large, yellow, 3D block letters. Below 'Booster', the word 'DICE' is written in smaller, blue, 3D block letters, followed by a blue die icon showing five dots.
